**Our Ref:** OPAL Extended Play

Dear Parents/ Carers,

As part of our OPAL provision (Outdoor Play and Learning), each half term we have an extended play session with the children. For this half term, we have decided to have a theme to improve the play. We are going to be spending time with the children building dens! We hope this will help them to get the most out of our den building area when they are playing. It is an opportunity for us to show them how to manage their play safely and to develop social and team work skills.

As children will be outside, we would ask that you could send a spare change of clothes in that are suitable to get dirty.

They will need:

- Coat
- Old Trousers
- Old t shirt
- Gloves
- Change of shoes/ wellies

Thanks for your continued support on our OPAL journey.

The OPAL Team
