OPAL Newsletter - Autumn

Dear Parents/Carers,

We have had an exciting half term back at school so far. We had a great week where all classes got involved in den building activities. We also had a very successful sponsored fun run, raising funds which will go towards our next OPAL project. We are still waiting for a few donations so keep a watch on our Facebook page for the final total raised. We wanted to thank you for all of your continued support with our OPAL and for appreciating how important it is for our children here at The Grove.

Thanks,

The OPAL Team.

OUR NEXT PROJECT ...

We are looking to develop our small world area so would be grateful for any donations:

- Dinosaurs
- Matchbox Cars
- Figures
- Animals
- Dolls house furniture

Outdoor shoes

With the weather turning colder and wetter, children must ensure that they have a change of footwear (wellies or trainers) to be able to access the field. These will be stored on our welly racks underneath the gazebo on the yard.

Give us your views on
OPAL!
