10th February 2020 Newsletter

Dear Parents/Carers

We have a few exciting events happening this week:

- Whole School Theatre Production- Robin Hood- in school tomorrow Tuesday 11th February (no charge)
- Valentines Disco, Wednesday 12th February, 50p to be paid on ParentPay. Children can wear party clothes to school (this includes Nursery children)
- Dogs Trust visiting school and working with KS2 classes Thursday 13th February
- School closes Thursday 13th February and reopens Monday 24th February for all children

Year 4 will continue to go swimming, every Monday, after half term. This includes Monday 24th February so please ensure that your child has their swimming kit with them on the first day back. Thank you for your continued support.

Another date for your diary...

Our Choir will hold their Annual Tea event on Monday 30th March at 1.30pm in our school hall.

There will be more information regarding tickets and costs just after half term.

Thank you to Giovanna and Lindsay for organising.

School Fund

As we continue to keep costs down for our families, please remember that a weekly donation of £1 school fund is only necessary for Early Years children (Nursery and Reception) to help towards snacks, washing essentials and tissues.

For the rest of the school, we ask that children pay a £1 donation for non-uniform days. This will help towards keeping costs of visits to no more than £5. Thank you.

Travelling to/from school

Please remember that we do not permit children younger than Year 3 to walk to or from school (this also includes Bounce Breakfast). This is to ensure that children travel to and from school safely.

A number of parents have also asked if older brothers/sisters can collect at the end of the school day. We would ask that any older brother or sister collecting should be Year 9 or above.

Jim (our school crossing patrol) is off poorly so can parents and carers bear this in mind and also help ensure that children are safe when crossing the road. We wish Jim a speedy recovery and hope to see him back again soon.

We would also ask parents to take care when dropping your child(ren) off for school. Pulling over to park to allow your child to leave the car safely and not on the zig zag lines at the school entrance. Thank you for your co-operation with this matter.
