Dear Parents/Carers,

I am sure many of you will have watched the announcement last night from Boris Johnson. I know that many of you will have a lot of questions too. At this present time, I am afraid that I am unable to answer those questions but what I can do is await further guidance and advice from the Government and Local Authority and share this with you as soon as I have it.

At the minute, for us at school, there is no change to the guidance. We will provide care for those parents whose work is critical to the COVID-19 response and only those who cannot be cared for safely at home.

It is important to remember that the guidance remains the same as we want all of our: children, staff and families to remain safe. I would urge you to stay with your own families in order to remain safe and contain the virus.

As always, we will do our best to keep you informed. Staff will continue to set learning tasks and keep in touch. We are still here for all of you and to offer support in whatever way we can. You can do so by telephone on 01207 502938 or the school mobile (Rachel C) on 07858158918 and via email enquiries@thegroveprimaryschool.co.uk

Thank you for your continued support and patience during these unprecedented times.

Bernadette
