### **Support for Families**

Hi everyone, just a reminder that we have strong links with the Foodbank in Consett and can refer families in need. We are in tough times where we all need a little extra help and support. The Foodbank have lots of stock in at the moment and I can issue vouchers in a confidential manner. Please contact me via the school mobile or ring the main school number and ask to speak to me. The voucher can be filled in straight away and sent home with your child in an envelope. If you have any questions or queries, please do not hesitate to contact me.

Many thanks Rachel. C

### **Jewellery**

We do not permit any kind of jewellery worn to school (watches are permitted). Please see the link for further details <http://www.thegroveprimaryschool.co.uk/parents/our-school-uniform/>

### **Mobile Phones**

We strive to ensure that our children remain safe at all times and we would ask you as parents to ensure that children do not bring their phone to school. We cannot have phones in school in the event that they are dropped, damaged or taken. Thank you.

### **Children on school premises when**

Local neighbours have reported that there have been children accessing school premises when school is closed. I would ask parents to remain vigilant and speak to your child about where it is safe to play.

### **Swap Shop**

We have a range of winter coats available. Please get in touch via the school office or mobile if your child requires a nearly new coat or uniform too.
