

Physical Education, School Sport and Physical Activity Development Plan and Premium Impact Report at The Grove Primary School

In 2021-2022, **The Grove** Primary School is expected to receive **£17540** Primary PE & School Sport Premium. This will be used in conjunction with other grants and funds from the school budget to raise standards in curriculum **Physical Education, School Sport, Physical Activity** and Healthy living (PESSPA).

Coronavirus Impact: As per recommendations from the DfE, the unspent premium of **£4837** will be rolled over into the 2021-2022 development plan. This means for the academic year 21/22 we have a projected budget of **£22,377**

Vision: ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective: To build **capability** within school and achieve **self-sustaining improvement** in the **quality** of PE and sport in primary schools against the 5 key grant condition indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles. Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

The following **PESSPA Development Plan** includes all planned and continued actions to support the schools PESSPA programme and its vision, building upon previous achievements and sustaining the most valued approaches that support positive pupil outcomes.

This action plan is a working document **subject to change** throughout the academic year. Actions may be RAG rated to support school self-review.

In the planning stages, costs are estimated where possible and **actual spend** recorded when known.

This development plan will also include (and state clearly) actions and areas not funded directly from the PE & Sports Premium grant (free or other) to support a move towards a self-sustaining approach. See our School PE and School Sports Premium Budget- ledger for any further specific cost breakdown.

The Primary PE and Sport Premium spend IMPACT will be finalised and reported on our school WEB by e.g. 31st July 2022. Any collated evidence referenced to support impact statements, can be found within the school PESSPA moderation folders.
