25th November 2022 Newsletter

Dear Parents/Carers,

It is hard to believe that one month from today will be Christmas Day! There are a number of events happening locally, in the coming week, that parents may be interested in.

Christmas Jumper Swap Shop

We are still accepting Christmas Jumpers for Christmas Swap Shop. If you have any nearly new jumpers that you would like to donate, please pass these to a member of staff. Thank you!

Children will be able to wear their Christmas Jumper on Christmas Lunch Day which is Wednesday 14th December.

If your child usually has a packed lunch, you can order a Christmas Lunch by completing this form before Wednesday 30th November https://forms.office.com/Pages/ResponsePage.aspx?id=Uv_fRWSDc02_Oo-YvfENh_0s-3NYz6NDImOPB8wFOUIUQRKUORLWEE5NkswVTFXWTBaR0s1WTc2SC4u

Good luck Sally

We were hoping to say goodbye and good luck to Sally this week but she has been poorly and told to rest. We are hoping, that Sally might be able to visit and say goodbye before baby arrives and we are sending her and Craig all of our best wishes from all of the children, staff and governors too.

Parents' Evenings- Monday 12th December and Wednesday 14th December

If you would like to make an appointment to speak to your child's class teacher on either of the above dates, please complete the form below. It will be on a first come, first served basis. Each appointment will be a 10 minute slot so that we can accommodate all parents. The deadline for submitting the form is Friday 2nd December. The class teacher will allocate appointments and you will be notified of these on Tapestry.

If your child has SEND (Special Educational Needs), you do not need to complete this form. A separate form will be sent out to you.

Attendance- General reminders

School attendance is monitored carefully throughout the whole school from Nursery to Year 6 and good habits formed now will follow your children throughout their school career. Within the early years, most important of all is the children's personal, social and emotional development.

Regular attendance will ensure that all the children have the greatest opportunity to develop these very important early skills and become lifelong learners. Of course, from time to time, it will be necessary to keep your children home due to sickness.

Copies of appointment cards and hospital letters must be brought into school to be photocopied. Whenever possible please try and arrange appointments such as doctors, dentist, opticians and hospital outside of school time.

We are sure that you can appreciate that teachers take time to: plan lessons, interventions and get resources ready so if your child's attendance is below 90% they are considered as a persistent absentee. Our school target is 96% which is in line with government expectations.

We would like to work with parents to resolve any issues regarding attendance and we hope that you will continue to ensure that your child attends school as much as possible.

Thank you for your continued support.
