

Running: demonstrate a clear understanding of pace and use it to develop their own and others sprinting technique.

Jumping: develop power, control and technique in the triple jump.

Throwing: develop power, control and technique when throwing discus and shot put.

Running: apply fluency and co-ordination when running for speed in relay changeovers.

Effectively apply speeds appropriate for the event.

Jumping: explore technique and rhythm in the triple jump.

Throwing: Develop technique and power in javelin and shot put.

Running: develop an understanding of speed and pace in relation to distance.

Develop power and speed in the sprinting technique.

Jumping: develop technique when jumping for distance.

Throwing: explore power and technique when throwing for distance in a pull and heave throw.

Running: develop the sprinting technique and apply it to relay events.

Jumping: develop technique when jumping for distance in a range of approaches and take off positions.

Throwing: explore the technique for a pull throw.

Running: develop the sprinting action.

Jumping: develop jumping, hopping and skipping actions.

Explore safely jumping for distance and height.

Throwing: develop overarm throwing for distance.

Running: explore running at different speeds.

Jumping: develop balance whilst jumping and landing. Explore hopping, jumping and leaping for distance.

Throwing: explore throwing for distance and accuracy.

Year 6

Running: understand that I need to prepare my body for running and know the muscle groups I will need to use.

Jumping: understand that a run up builds speed and power and enables me to jump further.

Throwing: understand that I need to prepare my body for throwing and know the muscle groups I will need to use.

Rules: understand and apply rules in events that pose an increased risk.

Running: understand that taking big consistent strides will help to create a rhythm that allows me to run faster. Understand that keeping a steady breath will help me when running longer distances.

Jumping: know that if I drive my knees high and fast I can build power and therefore distance in my jumps.

Throwing: know how to transfer my weight in different throws to increase the distance.

Rules: understand and apply rules in a variety of events using official equipment.

Year 5

Running: understand that I need to pace myself when running further or for a long period of time. Understand that a high knee drive, pumping my arms and running on the balls of my feet gives me power.

Jumping: understand that transferring weight will help me to jump further.

Throwing: understand that transferring weight will help me to throw further.

Rules: know and understand the rules to be able to manage our own events.

Running: understand that leaning slightly forwards helps to increase speed. Leaning my body in the opposite direction to travel helps to slow down.

Jumping: know that if I jump and land in quick succession, the momentum will help me to jump further.

Throwing: understand that the speed of the movement helps to create power.

Rules: know the rules of the event and begin to apply them.

Running: know that running on the balls of my feet, taking big steps and having elbows bent will help me to run faster.

Jumping: know that swinging my arms forwards will help me to jump further.

Throwing: know that I can throw in a straight line by pointing my throwing hand at my target as I let go of the object.

Rules: know how to follow simple rules when working with others.

Running: understand that if I swing my arms it will help me to run faster.

Jumping: know that landing on the balls of my feet helps me to land with control. Understand that if I bend my knees it will help me to jump further.

Throwing: know that stepping forward with my opposite foot to hand will help me to throw further.

Rules: know that rules help us to play fairly.

Year 4

Running: understand that I need to prepare my body for running and know the muscle groups I will need to use.
