27th January 2023 Newsletter

Dear Parents/Carers,

Ofsted inspection

This week we had two HMI inspectors in school. They met with staff and spoke with children and some parents about our school. The inspectors wanted me to pass on their gratitude to those who they did speak to or who completed the parent/ child survey. The inspectors will write their report and this will be published in a timely manner. I will share this report with the school community when it arrives. I would like to say a personal thanks to our wonderful children who spoke confidently and proudly about our school. They make me so proud every single day.

I also want to say a special thank you to my amazing staff team who go above and beyond every day for our children, the inspectors were grateful for their time for discussions and their honesty.

Dates for the diary

A reminder that school is closed to all pupils on **Wednesday 1st February 2023** due to strike action.

On **Friday 3rd February**, children will be taking part in the NSPCC number day and will complete number based activities in class. Children will be able to dress up, if they would like, with the theme 'To be a number' This could be something as simple as wearing a spotty top or lined/ striped tops that children can count. Our more creative families might have even more ideas!
